### HARRIMAN LINES EO MINGUP Mrs. Cronk Gets \$70 a Month Alimony Closer Alliance Predicted Between

This is Temporary and Will Be Cut to Fifty Dollars When She Needs No Nurse.

Temporary alimony in the sum of \$70 onth was allowed Mrs. Cora D. Cronk by Judge Troup in district court. money in the sum of \$100 is granted and each of her attorneys gets \$100. Judge Troup intimated that this last might be increased if on trial of the case on its merits, Mrs. Cronk wins. Otherwise, additional recompense for Mrs. Cronk's attorneys will have to be paid by herself. President J. T. Harahan was to retire and Judge Troup declared that he would have made the allmony \$50 a month if there was not a showing that Mrs. Cronk needs It was known by friends of Mr. Park a nurse. When it is shown that the nurs; when he left the Union Pacific to go to is not needed the allmony is to be reduced the Illinois Central that he was to have to \$50. There is a string on the alimony the dual title of vice president and general grant. Mrs. Cronk must first return the manager, but it was not known that Mr. books and furniture removed in the fight time from her home on Georgia avenue. In fixing the alimony Judge Troup went over the question of Mr. Cronk's present in Mohler with the Union Pacific, and that of come as outlined in affidavits and the ar-E. O. McCormick, who was recently ap- guments of Tuesday afternoon. At this pointed vice president and general manager time Mrs. Cronk's lawyers asked for \$100 of the Southern Pacific and who is now or \$125, and Cronk suggested \$40 or \$50

enroute to San Francisco to assume his Judge Troup held that it was shown that Mr. Cronk's total income is \$3,968 a year, Such office-holding is in harmony with the policy of the lines of the Harriman which is subject to payments for the supsystem and local officials look soon to port of his children and to interest or the hypothecated stock, bringing the ne see Mr. Harahan resign and his place taken by Judge Lovett, who succeeded income down to \$1,692 a year, or \$142 E. H. Harriman as president of the Union

The sum of \$79 withdrawn from this leaves George P. Cronk \$71 for himself.

# Commercial Club to Help in Census

Effort to Make the Count Accurate.

C. L. Saunders, director of the census, will have more help in taking the census in Omaha than he expected. The Commercial club has decided to enumerate the This agreement has been in effect for population in advance and thus lend assistyears and when a road to the Pacific ance to the director by giving him the books from which he may check. The club

has raised the money for this purpose. Whether Omaha has 165,000 population at present or only 150,000, will be known beon to the coast. The Milwaukee three for the census director starts his work for the Commercial club will have very accurate, data before that time. The executive committee has voted the authority to do the work and has delegated the task to the publicity bureau of the club. between the Union Pacific and Illinois Omaha will present a remarkable growth Central at the Omaha gateway when the Central was acquired four years ago by four years the city has built 4,200 new as the records show that during the last that it was reversible error for the court Mr. Harriman after his strenuous fight places of abode. It was said that twelve with Mr. Fisk. The old agreements between years ago there were 6,000 empty houses in

the Union Pacific and the Illinois Central Omaha. When the census was taken in 1900 many of these were occupied by the people who had come to Omaha to work in connection with the Transmississippi and All-American exposition. These houses are all filled at present and since last census more than 7,000 houses have been erected in Omaha. This indicates that Omaha has been growing at a tremendous rate, especially during the last four years when the average has been more than 1,000 new homes a year. anchored and not be permitted to gilde around on wheels as has been the experi-

The interest of the Commercial club is in having the census accurate and it believes this will assist materially.
